

EXPERIENCE FORD'S COLONY

Visitors to Ford's Colony are welcomed by our security team at the main gatehouse.
For directions, set your GPS to 101 John Pott Road, Williamsburg, VA 23188.

As you plan your visit, there are a variety of ways to experience our beautiful gated community.

Stay at the Marriott Manor Club

The Marriott Manor Club is located off Ford's Colony Drive in the center of Ford's Colony. To make a reservation at this award-winning resort or others in the local area, visit www.Marriott.com (search "Hotels by Brand" and select Marriott Vacation Club or view other locally available Marriott brands). During your stay, you can walk, bike or call a Realtor® to tour the different neighborhoods within Ford's Colony and check out the sport complexes and meeting room amenities at Westbury Park and the Swim & Tennis Club provided by the Homeowners Association.

Tour Homes for Sale with a Realtor®

To enrich the aesthetic appeal of our community, there are no "for sale" signs displayed in Ford's Colony. However, local Realtors® can provide you with a summary of listings in Ford's Colony and arrange a tour of properties for sale or rent. Check out the Real Estate link on the fordscolonywmbg.com site to view available properties and contact a real estate professional to schedule a visit.

Enjoy the Ford's Colony Country Club

Ford's Colony Drive leads to the Ford's Colony Country Club, which is open to the public. The Club features 54 holes with three distinct championship golf courses designed by Dan Maples. This semi-private golf club offers some of the best resort golf in Virginia. While playing your round of golf, you will have an opportunity to view Ford's Colony's lovely natural setting of rolling hills and ponds and see a sampling of the homes that surround the course.

ClubCorp® O.N.E. members can enjoy free rounds of golf and dining in either the members-only Colony Dining Room or Murdoch's at the Club. Non-members can reserve times on the designated public course and dine in Murdoch's, which is open to the public. Murdoch's features casual American Bistro cuisine in a comfortable atmosphere. Located next to the Golf Shop, Murdoch's is the perfect spot to dine or relax with a cocktail at the bar. You can also enjoy the new Oasis Patio at the Club,

unwind next to the cozy fire features in the evening and share cocktails while you watch the game at the media center.

Visit with Family or Friends

A number of our owners were first introduced to Ford's Colony by family or friends who live here. Residents can show you around the community and secure for you a pass to access any of the gated security entrances.

We look forward to having you come and experience all that Ford's Colony has to offer.
